### BEERFARM DOUBLE INDIA PALE LAGER

- LAGER
- ABV: 7.8%
- METRICUP, WA

Tangerine, passionfruit and moderate coconut characters dominate the aroma whilst maintaining a super pale and extremely crisp body. It's big, and it might hurt a little, but it's a good hurt.

### EPIC THUNDER APA

- PALE ALE
- ABV: 5.8%
- AUCKLAND, NZ

The flavour is driven by the sub tropical fruits (including passionfruit & mango) from the Mosaic hops. There is a fun level of dankness. Massive hop flavour is matched to a subtle level of bitterness, which makes for wonderful enjoyment.

### GLEBE BREWING CO. THE IMMORTAL PALE ALE

- PALE ALE
- ABV: 4.5%
- GLEBE, NSW

With a sweet malty character, fruity hop aroma and a dry, slightly bitter finish The Immortal Pale Ale is the right beer for the hill at the footy, a craft beer bar or wherever thirst strikes.

### HONEY RIDER GFY XPA

- XPA
- ABV: 5.0%
- NEUTRAL BAY, NSW

Ale and Vienna Malts used to keep toastiness up and sweetness low to enhance the forward hop profile of the style. Generous use of Vic Secret, Amarillo and Chinook produce a pronounced aroma of peach and grapefruit.

This Pale is not without a twist. Two types of oats create a hazy and super pale beer with a smooth, silky mouthfeel, while Australian and US hops offer up notes of pine, passionfruit and pineapple.

## YEASTIE BOYS RAISED ON ROBBERY PACIFIC IPA

- IPA
- ABV: 5.0%
- WELLINGTON, NZ

Raised on Robbery is an Australian exclusive – a super pale Pacific IPA with tropical fruit, grapefruit, a touch of pine, and a sneaky hint of je ne sais quoi in the gently spicy finish.

## GRIFTER THE OMEN OATMEAL STOUT

- STOUT
- ABV: 5.5%
- MARRICKVILLE, NSW

A beer with a complexity which comes from the use of six different varieties is layered to give notes of chocolate, coffee and general roasted goodness they continue. On and on. And on..

## BENTSPOKE HOW'S IT GOSEN? CHERRY GOSE
